

Business Opportunity for Chimney Sweeps

Don't Miss This Opportunity:

Where else can you find an opportunity to install an exciting technology that has no competition, is targeted by EPA for retrofitting 30 million existing fireplaces and will probably be required for use in all fireplaces nationwide in several years.

We are talking about the revolutionary **HearthCAT™ Emission Control System** for Wood Burning Fireplaces. The device is totally passive (doesn't require any power), can be installed in less than an hour and doesn't require any maintenance by the homeowner. And on top of that, it's affordable! The chimney sweep can purchase the HearthCat™ at a unit price of \$395 and then install it for the homeowner for \$729. Fast, Easy and Profitable! Check our special chimney sweep prices below.

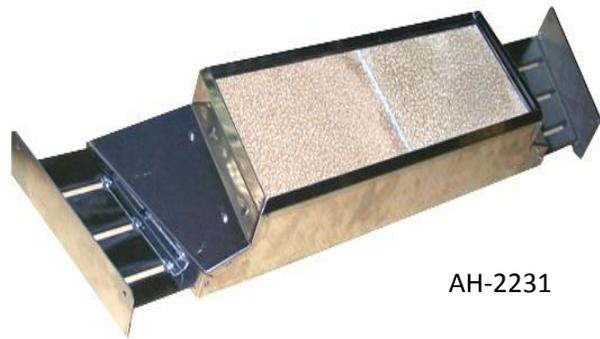

Part Number AH-2231

Clear Skies Unlimited is offering qualified chimney sweeps this unique opportunity to become an Installing Distributor of the revolutionary HearthCAT™ Emission Control System. This is a business opportunity through where you can build substantial residual income to supplement your chimney sweep business.

Patented and Proprietary Product Technology - HearthCAT™ installing distributors enjoy the benefit of selling a unique and fully guaranteed product that is unequalled in the hearth industry. This is a secure opportunity where product sales are projected to grow a hundred-fold over the next year. Initial reaction by homeowners across the county has been very exciting.

Clear Skies is creating a nationwide network of chimney sweeps to market and install the HearthCAT™. Although, we don't plan to assign exclusive areas, territory preferences will be given to those companies that make inventory commitments and display the necessary enthusiasm to take the technology to the next level.

Clear Skies will provide literature or literature templates for distribution to homeowners. You can purchase the HearthCAT™ in quantities from 1 to 100 units for your inventory. Although, we plan to maintain inventories for a quick turn-around, our initial inventories may be limited.

You will be required to sign a one page **Reseller Agreement** limiting the sale of the HearthCAT™ to homeowners ONLY. No sales to fireplace manufacturers, other distributors or retailers will be allowed.

If you are interested in becoming an Installing Distributor for the HearthCAT, follow the steps below:

- Step 1:** You MUST be a certified Chimney Sweep to become a HearthCAT™ Installing Distributor.
- Step 2:** You must have a credit card or PayPal Account to make any HearthCAT™ purchases.
- Step 3:** You must sign our "Reseller" Agreement before we can ship you any HearthCAT™ Products. Use the link on our webpage. After reading the agreement, print a copy and fill out your company name and sign and date the agreement. You can Fax the signed agreement to **951-823-5422**, mail it to our company address below or "scan" and email the agreement to: dave@clearskiesunlimited.com
- Step 4:** You MUST review the "Chimney Sweep Training" presentation on our website to become familiar with our products and the installation.
- Step 5:** After you make your first HearthCAT™ purchase, you will be contacted by a Clear Skies representative to help you with marketing of the HearthCAT™ to the homeowner. **It's that simple !**

Clear Skies Unlimited
